विषय:- Energy Audit ठेकु निविदा।

महोदय,

कृपया संलग्न प्रपत्र मे उल्लेखित तकनीकी सामान के लिए अपना भाव (कोटेशन) भेजें। कोटेशन मुहरबंद लिफाफे में अधोहस्ताक्षरकर्ता के पास दिनांक 13.11.2014 को 3.00 बजे तक पहुँच जाना चाहिए। लिफाफे पर निम्नलिखित विवरण अवश्य लिखे। अपनी दरें प्रति नग के हिसाब से संलग्न प्रपत्र में दें।

- 1 जिस कार्य के लिए कोटेशन भेजा गया है।
- 2 पत्र का सन्दर्भ।
- 3 कोटेशन खोलने की तारीख।

निविदा अधोहस्ताक्षरकर्ता के कार्यालय में दिनांक 14.11.2014 को दोपहर तीन बजे, टेंडर भेजने वाले या उनके एजेन्ट की उपस्थिति में, यदि वे आते हैं तो, खोला जायेगा। भेजा गया कोटेशन स्वीकृति के लिए उसके खोलने की तारीख से 180 दिनों तक खुला रहेगा। किसी भी निविदा को बिना कारण बताये निरस्त करने का अधिकार उपमहानिदेशक (अभियान्त्रिकी) को सुरक्षित रहेगा।

भवदीय

(पी० के० कुलश्रेष्ठ)

Bill of Material

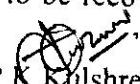

| Sr. no. | Description of work | Qty | Rate | VAT/ST | Total amount in Rs |
|---------|---|-------|------|--------|--------------------|
| 1 | Energy Audit at Doordarshan Studios, Office complex and Earth Station | 01Job | | | |
| 2 | Energy Audit at HPT, Nahargarh | 01Job | | | |

Scope of Work:

- All the electrically operated equipments such as Sub Station Equipments, Central AC Plants, Split ACs, Pump Sets, OB Van Set Up, DSNG Set Up, House Lights etc installed in Doordarshan Studios, Office complex and Earth Station areas are to be analyzed for energy consumption and submit recommendations for energy saving if any accordingly.
- All the electrically operated equipments such as Sub Station Equipments, Split ACs, Pump Sets, Transmitter equipments, House Lights etc installed at HPT Nahargarh are to be analyzed for energy consumption and submit recommendations for energy saving if any accordingly.

General Terms and Conditions:-

- The Auditors must be accredited with Bureau of Energy Efficiency and copy of certificate issued by BEE should be attached with the quotation.
- Copy of service tax registration must be enclosed with the quotation.
- Complete list of instruments with details of area of use must be enclosed with the quotation.
- List of Clients for at least last three years must be enclosed with the quotation.
- The draft report to be submitted by qualified tenderer should clearly propose the expected percentage savings in electricity charges in summer and winter seasons.
- No advance payment is admissible. However payment may be made according to works carried out as per details given below:
 1. 30% of the accepted tender value after completion of Data Collection.
 2. 20% of the accepted tender value after acceptance of submitted draft report by competent authority.
 3. 30% of the accepted tender value after acceptance of submitted final report by competent authority.
 4. 20% of the accepted tender value after observing the effect of final report in electricity bills (saving in electricity charges) at both the locations.
- The work is to be carried out under the supervision of Engineer In Charge deputed by Doordarshan.
- Since the equipments installed at both the locations are in operation. Hence due care is to be taken by the qualified tenderer to ensure smooth transmission/recordings etc.
- Any damage to the equipments under test for energy audit is to be recovered from the qualified tenderer.
